Dear Mr. Casey:

Presently, I am conducting research for the purpose of publishing a comprehensive study about the availability of transportation facilities in Western Europe.

Any information that you might send me regarding Western European transportation facilities would be appreciated. This would include physical characteristics, statistical information, present facilities and future developments concerning harbors, airports, truck terminals, roadways, inland waterways for both freight cargo and passenger carriers.

I look forward to receiving your information and thank you for your cooperation.

Very truly yours,
